## **Project Accountant - Angola**

We are looking for a project accountant to be based in Luanda, Angola. The term for this project will begin in January 2008 and last three years.

The successful candidate will be responsible for all accounting and reporting activities as it pertains to project activities in Angola and will report directly to the Controller.

Previous experience in project accounting and the services industry is required. Candidates must have strong interpersonal skills and be completely familiar with Word and Excel. Portuguese language capabilities and knowledge of QuickBooks would be assets.

We are looking for someone who has held a professional accounting designation for three to four years.

To apply, submit a covering letter and detailed resume by email to [ottawa@cpcstrans.com](mailto:ottawa@cpcstrans.com). Applicants should use the CPCS Transcom resume format available online at [www.cpcstrans.com](http://www.cpcstrans.com)
